N-9011(16)/8/2016-e-Panchayat-Part(1)

29th July, 2019

Dear ACS/ Principal Secretary/Secretary,

This is in continuation to the D.O. of even number dated 05th July, 2019 from Secretary, Ministry of Panchayati Raj regarding the 100 Days Action Plan formulated by MoPR. As you may be aware, the 100-day plan spans from 05th July, 2019- 15th October, 2019.

2. In this context, execution of developmental works, in the Gram Panchayats, related to the basic services is one of the Performance Indicators to be measured under the 100-days window. It has been observed that GPDPs for 2019-20 encapsulate activities for delivery of basic services by the Panchayats (Annexure -I) but as per the data available in ActionSoft, most of these activities are yet to commence.

3. As part of MoPR's commitment to the Hon'ble Prime Minister of India, 50% of the activities towards the delivery of basic services included in GPDPs for 2019-20 should be initiated by the Gram Panchayats in the first 100 days of the government. Likewise, a quarter of the trainings planned for the current year must be completed in this time.

4. It is requested, therefore, that the Gram Panchayats may be instructed to update the ActionSoft application with the current progress of such activities. Similarly, the Rashtriya Gram Swaraj Abhiyan (RGSA) MIS may be updated. In the interim, since the realization of 100 Days targets is being monitored very closely, the States are requested to share the progress of these activities, per the enclosed format (Annexure-II) with this Ministry on a monthly basis. The report may be sent to the Ministry latest by 05th of each month for the works/ activities initiated in the previous month.

With regards,

Yours sincerely,

(A.P. Nagar)
